**Map Roman** is an elegant set of capitals based on the lettering of MacDonalD Gill. Brother to the famous (and infamous) Eric, MacDonalD was an accomplished graphic artist and letterer in his own right whose work included a variety of beautifully handlettered maps of London, England, and the world. After stumbling upon his work, the regal titling hand on these maps became the source for Map Roman, a typographical interpretation that attempts to capture the liveliness and authority of his letterforms.

**Designer:** David Jonathan Ross

DJR draws letters of all shapes and sizes for custom and retail typeface designs. A native of Los Angeles, he began drawing typefaces at Hampshire College and joined The Font Bureau in 2007 where he honed his bézier-wrangling skills. Now he publishes visually imaginative and technically advanced designs at his own foundry, including Fit, Manicotti, Input, Gimlet, and Bungee. You'll find him in Western Massachusetts with his partner Emily and their two dogs, Sophie and Lily.
